

**She loves him, yeah, yeah, yeah:** Fann openly displays affection for David while Christopher sits stoically by Karen's side.

# who is karen ng?

Meet **DAVID GAN**'s newest protégé.

David loves **FELICIA CHIN**? Old news. The latest to be taken under the star-making hair guru's wing is fashion consultant, personal shopper, and "power stylist" Karen Ng, who dressed four celebs, **FIONA XIE, ANN KOK, KYM NG,** and **ONG AI LENG** at the recent Star Awards. "David's got a lot to do, so maybe he's giving me the chance this time," purrs the pretty society circle regular, who came back to start a fashion consultancy, Glitz by Karen Ng, after being based in Hongkong for 13 years. And here's a sign that with David's backing (and talent — he's her hairstylist), fame and fortune shouldn't be far off. At the launch of Glitz, which was also a birthday celebration for Karen (who's in her early thirties), A-listers such as **ZOE TAY, FANN WONG,** and **CHRISTOPHER LEE** turned up in full support.

▲ **Where to look?**

**AI LENG** bamboozles us with three things — that jaunty hat, her dotty bustier, and a perky chest.

► **Elfin chic:** **ANN**'s cute new crop works with her elegant black dress. If only she'd kept it this simple at the Star Awards. Here, with Passion hairstylist Ben Leong and Karen.

**What's he up to?** **ANDREA DE CRUZ** teases with a little decolletage while hubby **PIERRE PNG** gets cheeky. Wonder who he's trying to tickle?

▲ **She bangs:** **ZOE**'s still working the warfish pixie look. Wonder how many times a week she goes to David to keep her bangs looking this great?

► **Just monkeying around:** He'll stick to street style, thank you very much. **BEN YEO** is unfazed by his designer-clad colleagues.
