## Karen Ng

stylist

If there was an award for the vainest person, Ng claims she would be the top contender. Ng always strives to look her best. "When I step out of my house I have to look nothing short of immaculate and I constantly examine myself to ensure that it stays that way," she says. At home, you'll find Ng in one of her many silk negligées as she's an avid collector of Agent Provocateur, Myla and Kiki De Montparnasse lingerie. Saucy.

### Your favourite indulgence

Is a two-week trip to London. You can find the best of everything life has to offer, from restaurants to clubbing to shopping.

### A perfect day is...

One that's spent lying in bed, daydreaming away the practices of *The Secret* by Rhonda Byrnes. You have to read the book!

### Your favourite accessory for the month

A Claudine bag from London designer Claudine Abousawan. It's an absolute must-have for 2008. Spot me with it at the next event I attend.

### Something exotic is...

Spicy, hot, Asian and incomparable. Sounds like Karen Ng!
