#### TODD LYNN: THE ROCK 'N' ROLL TAILOR

Canadian-born, London-based designer Todd Lynn's work, distinguished by androgynous womenswear and his ability to create exquisite cuts, has made him the go-to guy for luxe tailored leather pieces. Lynn's razor-sharp tailoring skills were honed at Roland Mouret for seven years. He's also a bespoke tailor for music legends Mick Jagger and Bono. He describes the Todd Lynn woman as "fearless with a heart full of rock 'n' roll." Maybe that's why his latest client is Janet Jackson. He designed most of the clothes in her video, *Make Me*.

Todd Lynn and other brands will be available at a trunk show by stylist Karen Ng at Passion Hair Salon. It will be held from 3 to 10 November. For details, visit [www.glitzbykaren.com](http://www.glitzbykaren.com)
